Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Charles Z. Williams appeals the district court's judgment entered pursuant to his conditional guilty plea to possession with intent to distribute cocaine base, in violation of 21 U.S.C. § 841(a)(1) & (b)(1)(A) (2000). Williams' plea reserved the right to challenge the district court's denial of his motion to suppress evidence, which is the sole subject of this appeal. We have reviewed the record and briefs and find no reversible error. Accordingly, we affirm for the reasons stated by the district court in its order denying the motion to suppress. See United States v. Williams, No. CR-05-240-RDB (D. Md. Dec. 22, 2005). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
